Director's Message

First and foremost, thank you for joining us. I am glad and grateful for all of the support we receive from the community. This cast has been so wonderful to work with and they've really come together to be a strong group of performers. Each one of our cast and crew volunteers their time to make these productions happen and I am thankful for, and proud of, all of their efforts.

Enjoy the Show!

CLOTA President's Message

I am very happy to take this opportunity to welcome one and all to our second CLOTA production of 2016. We hope you enjoy this adaptation of a classic Fairytale that has entertained generations of people world-wide, both in print and performance, for many years.

CLOTA hopes to add more family oriented productions in the coming seasons as part of our plan to put more variety into our schedule. We are open to any suggestions or comments you may have about this and any future productions. Your input is important to us because without your support, we wouldn't be here.

So, please enjoy the show and tell your friends to come and see this and future shows with us.

-Larry Lier, CLOTA President
