

PRESENTED BY CLOTA

OTHER DESERT CITIES

BY JON ROBIN BAITZ

OTHER DESERT CITIES IS PRESENTED BY SPECIAL ARRANGEMENT
WITH DRAMATISTS PLAY SERVICE, INC., NEW YORK

Director's Note

Thank you all for joining us. This production has been a dream of mine since I read this play early last year and thanks to a dedicated and talented cast and crew we are able to bring it to you tonight. When I read this play I was struck by the humanity of the characters and the honest interaction of family members. It is clever, humorous, sad, and touching and I hope that it draws you into the lives of one family and their secrets. I hope you enjoy and watch for upcoming projects on our website www.CLOTA.org or follow us on Facebook.

Thank you!

Justin Olson

Lena Pokol

Lena is a talented actor that has been in numerous productions throughout the years. She always brings depth and nuance to her characters.

Gabriel Gutierrez

Gabriel is a seasoned actor who brings experience and talent to the CLOTA stage. He came to our production late and through dedication and work has brought life to life and personality to Trip.

Loralynn Chrostowski

Loralynn joins us for her first time on stage. Though a newcomer, she has taken to theater and lets her natural talent and dedication guide her to develop an amazing character and stage presence.

Leonas Firme

We welcome Leonas back to CLOTA after a leave of absence that has done nothing to dull his acting abilities. He brings a consistency and talent to his character that makes Lyman the elder statesman that he was meant to be.

Elan McDonald-Archer

Elan is a CLOTA regular that always brings passion and energy to the stage. She brings a dignity and depth to her character that many lesser actors would have lost to the chaotic over-the-top personality that Silda represents.
